

Register Apple ID

Instructions

1. Download and install the iTunes software from the Apple iTunes website.
2. Double-click the iTunes logo to launch the music management software.
3. Select "Store" from the top menu. Click "Create Account." Click the "Continue" button at the "Welcome to the iTunes Store" screen.
4. Read and agree to the terms and conditions. Check the box that says, "I have read and agree to these terms and conditions." Click the "Continue" button.
5. Type your email address, password, security questions, date of birth and choose your subscription preferences. When providing details on the Apple ID page, click "Continue."
6. Type in your payment method for making purchases on the iTunes Store. If you do not wish to provide credit card information or link your PayPal account, then click the "None" radio button on the "Credit Card" line. Click "Continue" to move to the next page.
7. Check your email for a confirmation email from Apple. You will need to click the verification link located in that message. When prompted, type in your Apple ID and password. Click the "Sign In" button and then click "Done" on the next page. You can now use your new Apple ID with iTunes.
